

Good morning, Mr. Boutilier,

Thank you for reaching out. I strongly believe that supporting the francophone community within Manitouswadge is essential to fostering a diverse and inclusive environment. As my own family members are Francophones, I understand firsthand the vital role they play in enriching our community's culture and strength. Embracing and empowering this community not only honours our shared heritage but also ensures a thriving, united future for all residents.

Allow me to be unequivocal: my life experience and education equip me to passionately advocate for policies that require the proactive dissemination of municipal information in French. These measures are essential to ensure equitable access for all French-speaking residents, strengthen transparency and accountability, and foster deeper community engagement and trust in local government.

Again, I would like to thank you for reaching out to me,

Respectfully,

David LaVoie CD, MSW
Mayoral Candidate for Manitouswadge
