

1. The francophone community is a part of the make up of Greenstone. In my opinion, none of us have a “place”. At present the municipality has provided a grant for required renovations to the Centre culturel francophone de Geraldton which will have a positive impact on their ability to remain open.
2. Services are available in French at the ward offices. Municipal information can be made available in French if requested by the individual.

Sincerely,

Elaine Mannisto
